

Professional Licensure Disclosure:

PCI Academy has determined that its curriculum taught in Ames and Iowa City meets the state education requirements for licensure in Iowa.

PCI Academy has determined that its curriculum taught in Plymouth meets the state education requirements for licensure in Minnesota.

PCI Academy has not determined that its curriculum taught meets the state requirements of any other state other than what is listed above. If you have any specific states you would like to know if the curriculum meets that state's guidelines, please contact Michelle Duncan, mduncan@pci-academy.com.
